To: Kris Gibbs <kris.gibbs888@gmail.com>, Ryan Oconnor <roconnor@pdx.edu>, "jmickiew@pdx.edu" <jmickiew@pdx.edu>

Last Week:

- Added button wiring
- Soldered and hooked up buttons to boards
- Ran through connectivity tests in software to confirm button function

Next Week:

- Get enclosure and mount buttons, switches, and screen.
- Mount battery enclosure
- rework analog pins for player 4
- run through test cases to find hangups
- run game finish to start to find errors
